Workshop Proceeding Report

Total Registered Candidates : 235

Date and Time : 2022-08-17T09:45	Session : Inaugural function
Presented By : Vidushee Ameta, Dean, Faculty of Humanities and Social Sciences, IASE (Deemed to be University)	
<p>Summery :</p> <p>Following the Lighting of the lamp by the dignitaries, Dr Vidushee Ameta delivered the welcome speech introducing the dignitaries on the dais. The session was chaired by Shri Kanak Mal Dugar, the chancellor of IASE Deemed to be University. The chancellor Shri Dugar expressed a sense of happiness and satisfaction for the conduct of the workshop. He quoted the words of the founder of the institute Swami Ramsharan ji Maharaj saying that maintenance of good health leads to spirituality and as such good health is good from every perspective. He referred to some leading personalities who could become successful and popular thanks to sports and games only. He expressed the hope that this academy will fulfil the aspiration of all concerned.</p> <p>Lauding the efforts of the organizers, the chief guest of the function & vice chancellor of IASE Deemed to be University Prof B. L. Sharma reiterated the fact that this initial effort will yield epoch-making results in the time to come. He also underlined the necessity for the conduct of the workshop against the emerging scenario in the country. Drawing the attention of the audience he said that Shekhawati comprises of Sikar, Jhunjhunu, and Churu and this area is known for the sports culture. This academy will thus fulfil the long felt demand of sports academy in the true sense. He hoped that the academy will rise to the expectation of this area. At present India, he added, is making all out efforts to make its presence felt across the globe and such efforts at the grass root level will prove to be a step forward in this direction. Towards the conclusion of his address he expressed the view that this academy would serve as an ambassador of the institute to familiarize public with its rich legacy. Coupled with certain academic courses/ programmes this academy will, he hoped, fulfil various objectives at a time.</p> <p>The Memorandum of Understanding (MoU) was signed between Tenali's Sports Tech Ltd and IASE Deemed to be University. The signatories of the MoU were vice chancellor of the university Prof B.L. Sharma and Dr Ravi Kiran Tenali. This was well received by the participants.</p> <p>The vote of Thanks was proposed by Dr P.K.Pandia.</p>

Date and Time : 2022-08-17T11:00	Session : Session 1
Paper Presented By : Dr Jatin Soni, Founder and Former Vice Chancellor, Swarnim Gujarat Sports University, Gandhinagar	Paper Title : Essence of Community Sports Centre for Strengthening Sports Ecosystem
<p>Summery :</p> <p>Dr Jatin Soni spoke on the issue of "Strengthening Sports Ecosystem through Community Sports Centre". Introducing the participants with the facilities available at the Community Sports Centre, he shared the fact that the Community Sports Centre would turn out to be a hub of sports particularly in Table Tennis, weight lifting, Power lifting wrestling, Boxing, Judo and Kabbadi, etc. He reaffirmed the fact that the benefit of health tops all the benefits of life and that life is not worth living without sound health. But sports and games can ensure sound health. As of now, he added, India is facing several problems due to sedentary life style. Sedentary life style is ruining our lives and sports and games can answer this problem. Citing some research data, he drove home this point that the present generation is falling prey to new diseases due to sedentary work due to sticking to TV, mobile phone etc and sports and games can help in overcoming these malaises. He lamented the fact that a good majority of the present children are not even able to perform loco motor abilities like walk, run, jog, jump, throw, catch, swim etc. properly and these things can be corrected by regular participation of physical activities and sports activities program & quite impulsively by way of joining this academy. He expressed pleasure and gratitude to the university and GVM for sparing such a splendid building for running the academy. He also highlighted some obvious benefits of joining this academy as Ayurveda College, Central Mess facility, Sports cum Education facility etc are available at the within the campus. These things, he opined, are added advantages to this academy. He expressed hope that the participants will benefit from these facilities and help in creating sports Ecosystem. He exhorted the participants to quit the inactive life style and switch over to the active life style by joining the Academy to enhance the life quality for the benefit of the individual as well as the nation.</p> <p>Dr Jatin Soni dealt with the issue very skillfully and the audience was spellbound with his presentation. At the conclusion of his session, question answer session was also conducted successfully and at the end of the session Dr Mitesh Chaudhary gave away a memento to Dr Jatin Soni to treasure the memory of the event.</p>

Best Practices

The University has introduced “Web Application of Seminar Management System” for the first time to manage the workshop. From the start of the registration to the report writing has done by this application.

Stage 1 : Registration

A link of registration is given to all participants to register for the workshop. Participants fill up all the required details along with their profile picture. A registration ID is sent to their registered email ID.

Stage 2 : Registration Verification

On the day of workshop, verification team verify the registration details of participants by their registration ID and Digital Signature and a ID card along with BAR Code is given to participants.

Stage 3 : Accommodation

All the accommodation details are managed through this web application. Available rooms are allotted to the participants and details are saved in database.

Stage 4 : Session Attendance

Session attendance is taken by BAR Code written on participant ID card. It is errorless and reduces the extra time.

Stage 5 : Session Proceeding

Proceeding officer has his own login ID where he can enter all the details of session along with a photo of session.

Stage 6 : Certificate

Certificates are generated to all the present participants in a very minimal time along with their profile picture, unique certificate ID and with a QR code to verify the certificate online.

Stage 7 : Account

All the expenditure is entered in this application along with scanned copy of Bills.

Stage 8 : Report Generation

Finally a Report is generated in a single click.
