

## Activities of GVM to fight against COVID -19 Pandemic

When first case of covid-19 was reported in kerala on 27<sup>th</sup> January 2020, and it was treated as a great a threat to mankind, GVM had come on the alert mode perceiving its role to fight against the spread of Civid 19 cases in this area of Rajasthan. World Health Organization declared Covid -19 a pandemic on 11<sup>th</sup> March 2020. GVM Management decided on 15 th March 2020 to voluntarily take up responsibility to aware population about the preventive measures from Covid 19 infection and enhancement of Immunity. Some of the activities undertaken were as under:

### Free distribution of Immunity booster –“Sarvjwarhar kwath”

- 1<sup>st</sup> COVID-19 +ve case detected in India(Kerala) on the 27th of January 2020.
- Within 3 weeks the coming Pandemic was visible to our president. He started informal meetings with our Ayurved Doctors and the top Management of GVM and IASE Deemed to be University.
- Ayurved College started searching for the medicine and work was distributed among the sub committees to prepare and design the strategy to fight COVID-19.
- Early March, formula was short listed and after the finalization of the formula immediately started its manufacturing and free distribution of the medicine to almost everybody in sardarshahr and 225 neighboring villages.
- Started manufacturing this Churna/ Powder.
- Campaign of providing free immunity medicine to almost everybody in the town and 225 villages of the surrounding area started From 16<sup>th</sup> March, 2020.
- Our Ayurved Hospital and hostels were converted into *500 bed quarantine center*, which was managed by our medical staff.
- One week after this Corona positive patients arrived in town and lived with their families and neighborhood, their near ones already have had received this immunity boosting medicine. So the secondary contamination did not start at all.
- Continued supplying the booster dose of this medicine, which is still continuing, the result was that the infection did not spread at all. .
- Distribution of Immunity Booster Sarvjwarhar Kwath to 4 Lakh peoples of sardarshahr town and villages of the tehsil.
- Free distribution of Immunity Booster Sarvjwarhar Kwath to 2.5 Lakh peoples of Bikaner town.
- Sent pouches for free distribution to
- IGP Bikaner 1,25,000
- Gandhi Nagar Gujarat, 40,000
- Jharkhand 2,500
- Delhi police 10,000
- Secteriate Jaipur 10,000
- Bhilwara 20,000
- Barmer 25,000
- Chittorgarh 20,000
- DGP Rajasthan 22,000
- Police Dept Churu 13,000

- More than 1,00,000 packets supplied to different Industries for distribution among their workforce
- Manufacturing and distribution of 6 Lakh doses per day across the country
- Online training of over 1,500 individuals and organizations worldwide in making and free distribution of Sarvjwarhar Churan
- Sarvjwarhar kwath was also distributed to pilgrims during Maha kumbha at Haridwar from 1<sup>st</sup> April 2020 to 30<sup>th</sup> April 2020

A number of dignitaries appreciated this effort of GVM for the greater cause of suffering humanities many of them have also requested for free supply of the kada for administering on corona warriors and general public.

#### **Establishment of quarantine center and dedicated Covid Care Center**

- Established 500 Bed Quarantine Center in the campus.
- Established dedicated Covid Care Center
- 1440 covid positive patients treated and discharged after found negative
- 6765 meals given to corona patients in our dedicated Covid Care Center and corona warriors
- Distribution of 1,250 Ration kits, 52,500 meals to needy, quarantined and Corona Warriors

All the above services were rendered by the institution free of cost

- Majorities of quarantine being muslims patients so with the starting of the RAMAZAN were provided food from the central mess for their proper Sahari and iftar with fruits and milk etc.
- The quarantine patients were all given training of Yoga, health, hygiene and good citizenship.

#### **Screening of patients**

Very soon after migrant labors started coming to sardarshahr. These are several thousands in number. These people were medically checked and provided with medicine, shelter and food. This work is still continuing.

In addition to above screening of patients were done and samples of swab were collected and sent for RT PCR test to Medical College, Churu.

#### **Screening summery**

<b>Sr No.</b>	<b>Month</b>	<b>Total Camp</b>	<b>Total</b>

<b>Total</b>			<b>15292</b>

There are 22 lakh Policemen in India and 11.5 lakh Paramilitary force personals and our defense personals are about 15 lakh. Moreover, there are medical persons and sanitary workers whom are call frontline workers and they are in very high risk. Our capacity is very limited so we are trying to find some philanthropists who can sponsor these. It could be nationwide or state wide. Our earnest request to every “Rastrabhakt” Indian is to help us in this matter.

### Medical Camps

Gandhi vidya Mandir has also been running an Ayurvedic college, which organised free medical camps in the surrounding rural area for last many years. 31 free medical camps were organized from Jan 2020 to 31 Jan 2021 and **4103** patients were treated during these camps. Details are as under:

### **Sanitization and other support activities**

- In the meantime fumigating machines and two truck load of Sodium Hypochlorite were procured.
- With help of the Municipal Board and Panchayat Sammiti fumigation, in all most every locality and nearby villages, was completed.
- In the both these programmes the support of public and local authorities was unprecedented
- Because of the lockdown and closer of the market stray and roaming cattle were starving, even the cow breeders had this difficulty. So two trolleys of fodder from the GVM Go-Shala were supplied to them on daily basis.
- Extra police and corona warriors were called by administration to help the local authorities were also provided food and shelter.
- To fully estimate the coming calamity- and begun preparing to fight it by acquiring masks, gloves , PPE kits and also spraying and fumigating machine with chemicals
- Free distribution of 14 tons of sodium hypochlorite in all the villages through pachayats for disinfection of villages and public places in town
- Sanitization of Sardarshahar town and 210 villages
- One day salary of all Employees contributed for COVID relief
- Because of the lockdown and closer of the market stray and roaming cattle were starving, even the cow breeders had this difficulty. So two trolleys of fodder were supplied to them free of cost on daily basis.
- 60 tons of dry fodder distributed to cows of the tehsil
- Every student and staff compulsorily worked in mask manufacturing, food preparation and distribution, awareness building, sanitization, medical services and other activities
- Free online teaching to all students (college and schools) of the tehsil.
- 4,166 persons convinced and helped to download Aarogya Setu.

# GLIMPS OF CONTRIBUTION DURING COVID-19 PANDEMIC

### सरदारशहर का विश्वविद्यालय कोविड-19 महामारी में सामुदायिक कार्यों में बना सिरमौर

सरदारशहर, 20 अप्रैल: सरदारशहर विश्वविद्यालय के छात्रों और शिक्षकों ने कोविड-19 महामारी से निपटारे में सामुदायिक कार्यों में अग्रणी भूमिका निभाई। छात्रों ने सड़कें सफाई कीं, घरों में जाकर जांच की, और लोगों को जागरूक किया।
