About the University:

The Institute of Advanced Studies in Education (IASE) is being sponsored by a non-governmental, Non-profit-motive making registered society, namely, Gandhi Vidya Mandir (GVM). The Government of India accorded it the formal recognition of Deemed to be University, under Section 3 of the UGC Act-1956 vide notification F.9-29/2000-U.3 of 25th June 2002, and by the UGC vide notification F.6-25/2001 (CPP-I) of 17th July 2002.

The University nestles like an oasis in the Thar desert, near the town of Sardarshahr in India's north-western state of Rajasthan. It is about 300 km west of Delhi, 125 km east of Bikaner and 250 km north of Jaipur (connected by rail and road). GVM was founded in 1950, on a 1190-acre piece of land, on one of the harshest and most backward terrains. Acutely prone to droughts, heat and cold waves, epidemics and other travesties of nature, GVM has striven to alleviate the acute backwardness through various permanent and adhoc programmes of education, culture, livelihood, health and hygiene, vocations etc.

GVM was the vision of Shri Kanhaiyalal Dugar who later embraced sanyas and came to be known as Swami Shri Ramsharanji Maharaj, an embodiment of universal humanism. He, with the blood and sweat of many devoted social workers, philanthropists, students and staff, created this epitome of emulative excellence in human endeavour. Swamiji dedicated his entire life and all his personal wealth to the cause of education and up-liftment of the down-trodden.

IASE (Deemed to be University) of GVM boasts of resident / non-resident students, from UG to Ph.D. level. There are separate multi-faculty co-educational colleges in Life Sciences, Engineering, Humanities & Social Sciences and Education. After an arduous toil of over fifty years, Institute of Advanced Studies in Education (IASE) of GVM was formally recognized as Deemed to be University of Government of India and UGC, in 2002. IASE is India's premiere Institute in the Faculty of Education; facilitating teacher's training from primary level up to the doctoral stage.

Day-wise topics are as follows:

1. Research Concept and its' Types and Steps
2. Title writing and Objective writing for Qualitative Research
3. Qualitative Data Analysis: Content Analysis
4. Qualitative Data Analysis: Grounded Theory with using Nvivo
5. Qualitative Data Analysis: Ethnography Research with using Nvivo
6. Data Management using Nvivo Software
7. Report Writing of Qualitative Research

Medium of instruction: Hindi & English
Reading Material & Recorded videos will be provided.

Certification:

Participation certificates will be awarded subject to meeting participation criteria i.e., 100% attendance and Post training Evaluation

INVITEES:

- Faculty Members
- Research Scholars,
- PG Students and Alumni
- External Participants

Registration fee:500/- per Account Details:

Account Name: The Registrar, IASE (Deemed to be University)

About The Faculty Development Program

Basic understanding of the concept of qualitative research methodology is necessary to appreciate the program. Hence, the faculty development program will start with some theoretical input sessions so as to help the participants to brush the knowledge in basic research methods. These sessions will be followed by software enabled practical training with demonstration. Thus, both theoretical and practical sessions will be arranged so that the participants could understand, appreciate and able to meaningfully interpret the output.

For better learning experience, the participants are requested to bring the following to the workshop:

- Laptop, NVivo software installed in the laptop (optional)
- Own qualitative research data (if the data is available)

The objective of this FDP are:

- To provide a comprehensive over view of qualitative research framework and nuances of designing studies using qualitative methods
- To provide hands-on training in the applications of NVIVO software in qualitative research data processing
- To acquire expertise in identifying appropriate qualitative tools for different types of research objectives

(Faculty of Education)

Resource Persons

Dr. D. N. Sansanwal
Former HOD and Dean, S.O.E.,
D.A.V.V., Indore
Expert: Research, SPSS, Advanced
Educational Statistics
Dr. Sansanwal is the Inventor of:- Jerk
Technology, Multiple Discriminatory
Type Item, Educational Clinic, Multiple
answers type question, Taught in IIM,
Indore and IIFT, New Delhi.

Dr. Sonal Pandey
Sharda University Greater Noida.
PhD from IIT Kharagpur, Pursued University
Grants Commission Postdoctoral Fellowship
for Women, 10 articles listed in SCOPUS &
peer reviewed journals. Trainer for NVivo.
Assistant Professor, School of Humanities &
Social Sciences,

Dr Keyur Kumar MNayak
Director, Laxmi Institute of Management Sarigam, USA Certified Customer Analytics Professional, Silver Medallist from IIT Roorkee in Financial Statement Analysis, 35 Research Papers in ABDC, SCOPUS Listed Journals, 38 = 25 Books and 13 publications in Conference Edited Book, 3 Times Best Research Paper Award, 6 ICT Skill based Courses, Research Orientation: SPSS, AMOS, PLS SEM, R, Python and Tableau,

Managing Committee :

1. **Dr. Anand Srivastav, HoD, Education,**
2. **Dr. Sarita Sharma, Reader, CTE**
3. **Dr. P.K. Pandia, Assist. Professor**
4. **Dr. Kanchan Sharma, Lecturer, CTE**
5. **Dr. Kailash Pareek, Assist. Professor**
6. **Dr. Narendra Bhatt, Lecturer, CTE**
