## About the Universities

**The Institute of Advanced Studies in Education (Deemed to be University)** has been established with confirmation of the status of ‘deemed to be university’ to the then Institute of Advanced Studies in Education College which has its roots to act as Institution of Education since 1950. Thus, the institution emerges as deemed to be university in the year 2002. The institution discharges its obligation to serve the deprived, disadvantage of vulnerable sections of the society living in the ‘Desert of Thar’. The institution is imparting education through teaching, learning and research in the disciplines of knowledge. This includes Arts, Social Sciences, Humanities, Sciences, Education, Pharmacy etc.

**Tantia University, Sri Ganganagar** is a ‘State Self-financed University’ working as a premier institution of higher education engaged in imparting knowledge through teaching and research in the areas of knowledge in faculty of Homeopathy, Ayurveda, Medical Sciences, Pharmacy, Veterinary Science, Agriculture, Paramedical and Allied Health Sciences, Nursing, Education, Physical Education, Science, Arts Craft and Social Sciences, Commerce and Management and Law.

## About the Workshop

Education in general and higher education in particular remain subject of concern for Humanity throughout the World. Excellence in education ensures progress and development of human beings in general and society in particular irrespective of the classification of societies including the society political. To ensure excellence in the education there remains an inevitable necessity to ensure periodic expert assessment and evaluation of the education. The education for the purpose of assessment and evaluation includes in it, the concepts involved in the different areas, sub areas and issues of the contents of the knowledge, administration and governance of the education, methodology and instruments required to impart effective education, criteria for periodic assessment and evaluation, regional and local convictions of education based on the local values, customs, convictions, traditions, practices and way of life. This further includes the institutional functioning of the institutions of education do exist at the international, regional, national and domestic levels.

The present proposed workshop has been designed to discuss only the area of the higher education in India, therefore; the scope of the proposed workshop is limited and respective with reference to the above stated issues relevant only to the higher education. Secondly, this workshop is proposed to discuss only those issues which are confined to the issues of higher education present and probable with respect to the Indian Contexts.

## MODE AND METHOD TO CONDUCT THE WORKSHOP:

Lecture Method : Online and Offline

Discussion Method

## ORGANISING OBLIGATIONS:

Proposed to be conducted as a Joint Academic Venture of both the Institutions in furtherance of their Academic Collaboration resulted from the MoU entered into by both the Institutions to share responsibilities to impart knowledge through the programmes of social outreach and academic obligations.

Financial obligation shall be restricted only with the IASE (Deemed to be University), Sardarshahr
